EDUCATION

- Vidya Academy of Science and Technology, KTU** Thrissur, Kerala
Bachelor of Technology - Computer Science and Engineering (Lateral Entry); CGPA: 8.30 Expected May 2027
 - Relevant Coursework:** DSA, Operating Systems, Computer Networks, Database Management Systems
- Government Polytechnic College, Chelakkara** Thrissur, Kerala
Diploma in Computer Hardware Engineering; CGPA: 8.99 (First-Class Distinction) Graduated May 2024

SKILLS SUMMARY

- Languages:** Java, Python, C, JavaScript
- Frameworks:** Django, Flask, FastAPI, RESTful APIs
- Web Development:** HTML, CSS, Tailwind CSS, Bootstrap, Chart.js
- Databases:** MySQL, PostgreSQL, SQLite
- AI/LLM:** LangGraph, LangChain, Ollama, RAG, Local LLMs, Prompt Engineering, Gemini/Vertex AI, OpenCV
- Tools:** Git, GitHub, Postman, Linux, Raspberry Pi, Arduino, ESP32

TECHNICAL PROJECTS

- AegisSys** July 2026 – Present
Explainable Multi-Agent AI for Cybersecurity Assessment & Safe Threat Remediation Major Project
 - Tech Stack:** Python, LangGraph, LangChain, Ollama, Local LLMs, Retrieval-Augmented Generation (RAG), Git
 - System Design:** Designing an explainable multi-agent AI system using local LLMs for cybersecurity assessment and safe threat remediation.
 - Multi-Agent Architecture:** Developing AI agents for vulnerability assessment, risk analysis, remediation planning, explainability, and safety validation.
 - Privacy & Safety:** Building an offline AI assistant with Ollama, RAG, and a human-in-the-loop approval workflow for secure and transparent remediation.
- VidyaVault** May 2025 – July 2025
AI-Powered Project Repository Platform Full-Stack Developer
 - Tech Stack:** Python, Django, Vertex AI (Gemini), GitHub API, HTML, CSS, JavaScript, Bootstrap, Chart.js, SQLite, Git
 - Platform Development:** Developed a full-stack project repository with authentication, advanced search, project management, and an analytics dashboard.
 - AI & API Integration:** Integrated Vertex AI (Gemini) and the GitHub API for contextual question answering from GitHub repository README files.
 - User Experience:** Designed a responsive interface with real-time project insights and repository analytics.
- VR-Integrated Telepresence Robot** Dec 2023 – March 2024
IoT-Based Telepresence System with VR Integration Academic Project
 - Tech Stack:** Python, Flask, OpenCV, Arduino, ESP32, MPU6050, Blynk, Wi-Fi, Bluetooth
 - Real-Time Streaming:** Developed a low-latency video streaming system using Flask and OpenCV for real-time remote navigation and monitoring.
 - Motion Control:** Implemented MPU6050-based head tracking to control a pan-tilt camera using Python and Arduino.
 - Remote Navigation:** Built a dual-mode Wi-Fi/Bluetooth control system using ESP32 and Blynk for remote robot navigation and camera operation.

PROFESSIONAL DEVELOPMENT & LEADERSHIP

- Next Gen Employability Program (EY GDS & Edunet Foundation)** Remote
Full-Stack Developer Trainee Dec 2025 - Apr 2026
 - Industry Training:** Engaged in 160 hours of structured training covering full-stack web architectures, MySQL databases, and REST APIs.
 - Capstone:** Collaborated within a student team on a 40-hour final project to build a database-driven web application.
- FOSSERS & IEDC Vidya** Thrissur, India
Web Development Mentor & Member Jan 2025 - Present
 - Technical Mentorship:** Planned and conducted beginner web development workshops (HTML, CSS, JavaScript) for school and college students.
 - Community Engagement:** Contributed as a developer to internal team projects and participated in peer-learning open-source initiatives.

ACHIEVEMENTS & CERTIFICATIONS

- Competitive Programming:** Solved 75+ Data Structures and Algorithms problems on LeetCode.
- State Recognition:** Won **2nd Prize** in Web Designing at Citadel (State-Level Technical Fest), Feb 2024.
- Hackathons:** Participated in multiple hackathons, including Smart India Hackathon (SIH), Stride Hackathon (Kerala - focused on inclusive-tech solutions), and various college and tech-fest hackathons.
- Certifications:** AI Skills Passport (EY & Microsoft); NPTEL: *Programming in Java*
